Slots Up always give you the opportunity to try the new slots free play them without deposits! We don't mean that you should be betting with a small pair when several overcards are on the board, or when it seems likely that your opponent has just made their flush draw. However, it's important to bet with hands like top pair, good kicker on the flop to ensure that you're getting full value when you do have the best hand. A top pair hand will usually be good, and in a low-stakes game, players will often call to the river with much less, allowing you to earn a few extra dollars by playing them aggressively.
