So, what are the free spins? You might have also bumped into this lucrative feature under the name of bonus spins, free games, or free bets. No matter the name, as a rule the free spins are triggered when you manage to line up a certain number of required symbols performing as scatters or just free spins icons on the reels. Sometimes, you get to enjoy a round of free spins as a bonus prize after a mini-game or as the result of a bountiful feature. Very often they can be retrigged by lining up the set number of certain symbols, combinations of which are explained in the payable. Besides, the free online slot games with free spins quite regularly bring you various multipliers. Life's a Beach is an easy pokie machine to play, with little in the way of innovative features or exciting graphical features. In fact, there's a good chance that the entire game was designed to capitalize on being similar to another popular online slot machine, Beach Life. That said, this is still a fun poker machine that some players will really enjoy. Avalon is not one of the newest pokies in the Microgaming collection, having been released back

in 2006. That means the graphics aren't quite as impressive as those found on some of the newer machines. Instead, you'll be dealing with some pretty average-looking symbols on a plain blue background. This doesn't make the game itself any worse – in fact, some players might like the clean interface. However, if you want more modern poker machine amenities, you'll have to look elsewhere.
