Treasures of the Pyramids is a rather unremarkable online pokie. It doesn't do anything wrong but it doesn't try and do anything right either. It seems to happy being average and coupled with its simple gameplay, this may mean it appeals to many players out there. We liked the simple gameplay and the free spins you could win, we would have just liked some aspects of the pokie improved on. This progressive -2 strategy is not ideal for players that can't control their losses because as much as they win a lot they will also lose a lot. Sometimes players don't know that after their progressive wins it is better to walk away. Hence, they will end up losing a lot more because some players will want to chase their losses. As a result, this betting strategy will need a player who is responsible and knows when to walk away. Even nowadays some providers choose to launch and promote the old-themed online slots. Of course, now the come equipped with absolutely modern features, cool visual effects and action packed animation. The design has been improved as well.
