It is not easy to find out the information about this casino, and they have four casinos affiliated. They used to send the promotion email a lot like everyday. And if you check with the Live Chat, they usually offer higher bonuses for the 1st deposit but, wagering requirement is also very high like 60x. If you are ready to play, bet from 1 cent to 15 Euro and spin the reels. Besides the base goal to match winning combinations you have possibility to play extra bonus games. Once you match three Full Moons on certain reels the Wheel Bonus Feature will be started. The wheel of fortune replaces base game reels; you spin it and win either money or Free Game. If you win Free Game you'll be awarded from 8 to 15 free spins. During Free Game you will also see the moon's shapes above the reels, so if the moon symbol occurs on the reels it will be collected there. And on the last spin all of the collected moons are transferred into Wild Symbols which will be randomly placed on reels. They substitute any symbol during free game. And one more fascinating thing is to be mentioned here – Expanding Wild Feature. The portrait of the Moon Goddess appearing on central reels will expand to become the full picture of Selena, so the reel becomes Wild and substitutes any symbol. The upper half of the screen is more uniquely suited to the live dealer version of baccarat. There, you'll see the dealer with her baccarat table and physical cards shown on live streaming video. On either side of the dealer video, you'll see the "bead road" history of recent results, as well as a more detailed accounting of the numbers resulting from recent hands. These tools are just two of several available to the player, and you can mix and match them to your preference. [best games for kids](#)
