Gonzo's Quest features 20 paylines, but it acts more like a 243-ways pokie because you cannot pick and choose individual betting lines. There are five fixed wager levels and you can tailor the coin increments to suit your bankroll, but you always play the full 20 bet lines per spin. You might think this limits your options, but in fact the spread between the minimum stake (\$0.20) and the maximum bet (\$50) makes it a versatile pokie that caters for players of all styles and situations. From the player's perspective, European roulette is definitely the better game. Both versions feature the same payouts for every bet; since the European wheel has one less pocket on it, it's
