Cowboys Go West has a bonus round game which gets activated with the help of at least 3 Bonus Game symbols on the screen. After you click on a bonus game button you will need to prove that you are a real cowboy and shoot 6 out of 9 cans. Each can contains different rewards that is summarized in the end. Both the 3-reel and the five reel game have fifteen available pay lines; bettors who want a shot at the largest prize must activate all fifteen lines to be eligible. No restriction is placed on the coin size of the eligible wager for the five reel game; pokies players who place fifteen pay line bets can win the jackpot whether they're betting \$0.20 per line, the five reel title's minimum at all casinos that host it, or \$3 per line, which is the five reel game's maximum. Since the 3-reel game requires a \$1 coin size, only gamblers placing a \$15-per-spin bet are eligible for the largest possible payout. Fantasy Sports allows those who are participating to place wagers on real-life sports events using fantasy money. Users can also create fantasy sports teams using real players, who will then compete in a fantasy tournament. Players do not wager with real money, rather paying an entry fee to the online Fantasy Sports site, with the winner taking home the pool from users' entry fees. spintime casino instant play

In 1987, the first TV lotto appeared and quickly became very popular among the population — more than 60% of the New Zealanders were watching the lotto game every week. Later in 1988 the pokies (land-based slot machines) were introduced and installed in sports clubs and hotels to become the new obsession for the nation. And, finally, the first casino was opened in 1989. After the full house, the flush is the next best hand. The flush is any group of five cards that all have the same suit. It's important to say again that no suit is of more value than another, so if there are two flushes in a round of poker, the winning flush is determined by which hand has the highest card. After the flush is the straight, and this hand is just like a straight flush in that all of the cards must be in sequential order, but they don't all have the same suit. emu casino app

The Craic is an amazing video slot created by 1x2 gaming casino software developer. The content of the slot is perfectly reflected by its title. The word "craic" is the term for fun, entertainment and enjoyable conversation. The Craic casino slot is all about Irish culture, leprechauns, potatoes, harps and specific Irish sense of humor. Special Features and Symbols: This is 3-row and 5-reel casino slot with 9 pay line and generous symbols. There are typical card symbols, leprechauns, the gold, horses and even Terry Wogan. The most generous card is potato. It will pay you 1000 golden coins. Wild card substitutes for any symbol on the win line and chooses the highest payout. Card with gold and the rainbow depicted triggers free spins. You can get from 3 to 15 free spins, which will be played automatically. Moreover, there are 3 different bonus games and rounds. 4 and more Bonos activates Breaking Bonos Round, which pays higher prizes. The more Bonos you have the more you win. Dancing Potato Round is launched by 4 leprechauns symbols. Leprechauns will also pay additional 300 coins. Breakfast Bonus consists of potato and 2 stouts symbols. Such breakfast is possible to eat only in Ireland. This Bonus round will pay you 2 coins. If you win 2 or 3 bonus round simultaneously, they will pay as separate bonus rounds. So that, you will win more. The green background, enjoyable music and bird singing, together with 4-leaves gloves in corners of each symbol create the great atmosphere of Ireland. Plenty of different bonuses and high payouts make it hard to give up playing. So, do not waste your time searching for other online casino games and enjoy playing The Craic by 1x2 gaming. play free scratch cards win real money no deposit

Double Double Bonus Poker by Microgaming is a new and improved version of video poker, which pays the player handsomely for Four of a Kind, with varying payouts for different combinations. When you receive two cards (only) and they equal "21", it's called a natural blackjack. This is the best hand in most forms of twenty-one and, unless you're playing under special house rules, the most the dealer can do is tie you. If you hand ties the dealer's, it's called a push. If you receive an ace-10 twenty-one and the dealer receives an 10-6-5 twenty-one, then you win. Any twenty-ones built with three or more cards are considered the same value, unless special rules apply (and they do sometimes). The natural 21 pays at 3:2 in most blackjack games, though you'll see the payouts at 1:1, 6:5, and 7:5. If you see any of these other payouts, avoid the game. \$10 deposit online casino australia
