One aspect of online gambling where blackjack doesn't excel is the welcome bonuses. The bonus offer is better now than it was 5 to 10 years ago. Many first deposit bonuses of the past had requirements which forced gamblers to play pokies or keno to clear the wagering requirement. Many players of twenty-one had no interest in playing online pokies until they cleared the playthrough requirement, so the bonuses weren't much of an incentive in driving 21 gamblers to those sites. These days, many casinos prefer to offer a "slots bonus" and a "table game bonus", though this is further divided sometimes into a blackjack and video poker promotion. Players won't get the same huge bonuses someone playing the pokies will, but that's a small price to pay for enjoying the best game in the casino.
