It is the responsibility of the player to notify the online casino immediately of a lost or stolen credit/debit card or change of details to an e-wallet. If a player experiences losses and damages because they failed to notify the casino, the player cannot hold the online casino reliable. As you know, every online casino takes into account that without bonuses they won't get too many players. That's why they do offer online casino bonuses so often. But players, when they decide to take a bonus, have to remember, that it's not just free money, and they will have to complete minimum wagering requirements in order to be able to cashout remaining winnings. Usually it means that player must place certain amount on game tables. Any experienced player knows that wagering requirements is not an easy thing to complete. That's one reason it's better to play at the established casinos using top software, like Microgaming technology, because you get the latest updates in gaming software. For instance, the single-zero game at Platinum Play Casino game has a game mode with spin stats and layout choices to help you when you're playing. Part of this is like the electronic results board you'll see in land-based casinos these days, but the spin histories go well beyond a simple list of 10 or 20 numbers. This informational mode is called "regular", while people who don't like the tutorials can play in expert mode. The game is dedicated to the Chinese fireworks tradition. China is the birthplace of fireworks, because the gun powder was invented there. The Chinese are considered as masters of fireworks for centuries. The first thing you need to play 888 Poker in 3D is the right kit. For starters, make sure you have some 3D glasses. No, this doesn't mean you have to go out and buy a set of those fancy cyclops

specs required for 3D TV. All you need is a simple pair with the red and blue lenses, like those you get when watching a 3D movie at the cinema. You probably already have some lying around at home – but even if you don't, they are easy to find and cheap as chips to buy. Northern Sky joins a list of a new release from the company; these include Pied Piper, Mayana and Mighty Arthur. While the other releases are fantastic, they certainly don't fall into the same category as Northern Sky. In fact, the company confirms that this could very well be their best pokie yet. This is what Quickspin's CEO, Daniel Lindbers said: "Northern Sky is one of our most spectacular slot releases yet, the graphics are just incredible." He added: "We're certain players will appreciate the beautiful scenery, while the bonus rounds and free spins are sure to be an attractive proposition for them."
