The first pokies came to our shores in the early 1900's. They weren't called pokies yet; their inventor, an American immigrant mechanic from Bavaria named Charles Fey, called his invention the slot machine. It was the first coin-operated gambling machine that paid winners in coins. The top jackpot came when three bells appeared so the machine was called the Liberty Bell. Bond saga originates from the books written by Ian Fleming. There are a great many of the movies, comic books, and the games dedicated to this secret agent of MI6. Vista Gaming couldn't ignore this famous character and dedicated this slot to him. Everything in the graphic design reminds of Bond. The gun, the cocktail, and the casino games show the choices of the invincible spy. The game looks very attractive and can entertain many gamblers. vegas slots real money

This game lacks most features found on modern games, but that is exactly what some gamblers like. Imagine two customers at the local pub. The first is drinking a fancy cocktail made of top-shelf liquor. The other nurses a plain glass of cheap whisky. Neither drink is superior they're just made for different tastes. Imagine this and other traditional style games as the plain glass of whisky. Sure it lacks the sex appeal of a top-shelf cocktail, but the lower cost and simplicity of the drink are exactly what the second customer wanted, and exactly what he got. Not all of the games we're going to discuss are licensed products, though. Other virtual poker machines based on Hollywood are designed as an homage to a famous film character or genre of filmmaking. We want to cover each of these pokies types. The Finer Reels of Life is a non-progressive video pokie built on five reels and containing 243 ways to win. While you can't always avoid divine intervention, there are ways to minimize the possibility of being struck by the dreaded runner runner curse. The first way to do so is to learn how to calculate the odds; we've all seen it on TV, where each player is assigned a percentage that represents their possibility of winning the hand. As a regular player, you had better learn how to calculate those odds. Perhaps more importantly, you can never believe that the hand is over until the river has been turned and the chips are being pushed in your direction. watch casino games
