In this online slot you can launch one feature to win huge prizes. Three or more Lucky Eagle Coin symbols scattered at any place on the reels start the Lucky Eagle Bonus game. Pick one of the Lucky Eagle Coin symbols to unveil how much free spins will be awarded to you. Up to 60 spins can be won. During the Lucky Eagle Bonus all your wins will be multiplied by three. You can win the same number of free spins in addition if at least three Lucky Eagle Coins appear on the reels again. Two types of the Wild symbol – the ordinary one and the stacked one increase your chances to form the win lines and get the prizes. They both can act as any symbol on the pay line. The exception is the Lucky Eagle Coin. The Stacked Wild symbol will also double your prize if it is the part of the winning combination.
