Royal Vegas is one of the only mobile gambling sites to market an official casino app for Aussies. This is a traditional native application that we can download to the hard disk on our iPhones and iPads – much like installing a desktop casino suite on PC, except tailored for the specific hardware and software requirements of iOS devices. The benefit of this approach is that the Royal Vegas roulette app is fully contained on the iPhone itself, which means easy access to the casino lobby and fewer connection problems if your WiFi is playing up. Gameplay The developers added to this casino slot many interesting

and entertaining features which will help you to win great prizes. Off Road Safari feature is triggered with the help of at least three Car symbols anywhere on the reels. You will be granted ten free games and all your wins will be doubled during them. Through each binocular appeared during the feature you will see one of the animals, which will show you the random number of super spins. Collect them and play Super Spins feature after free spins are over. During super spins all your winnings will be multiplied by five. The Hippo Pick feature is activated with the help of three Hippos on the reels. Choose one of them to unveil your instant prize. If the Hippo Pick feature is launched during free games or Super Spins feature, your prize will be multiplied by two or five respectively. Once three lions appear on the second, third and fourth reels simultaneously, these reels become Wild reels, and you will be given three re-spins with all prizes tripled! The Lion affects second, third and fourth reels in this online game, and substitute for all symbols, except for the Car, Binocular and Hippo symbols. More chilli meme

Whenever you tie the house on the initial deal, always go to war. Taking the surrender option is a sure way to haemorrhage chips, and there is no mathematical reasoning that validates doing so. This may sound strange at first, given the standard return on winning after going to war is 1 to 2, however the house edge actually diminishes when declaring war (2.9 per cent) compared to waving the white flag (3.7 per cent). And in games that give out bonus payouts for second-card ties, going to war should be a no-brainer. all slot casino
