On the downside, Treasure Nile's Egyptian theme is pretty to look at but does not include bonus games or any plot devices that tell an in-depth story. Microgaming's more contemporary pokies tend to use animations, bonus games, and other effects to help create a story or plot. Treasure Nile was produced years before video pokies became more like video games. The game also lacks any opportunity for free spins. Add in the fact that the game's credit size is fixed at \$0.50 and Treasure Nile starts to show its age. The true origins of keno are shrouded in mystery, but most gaming experts attribute its beginnings to the nation of China. Some believe that proceeds from the game were used to help construct the Great Wall of China, while historical records do show that results were sent to small villages via carrier pigeon in the 19th century.
