Whether you prefer to do your online gaming from a standard computer or you prefer a mobile casino gaming experience, EmuCasino delivers a smooth, comfortable interface. There is so much to love about the site that most gamers will want to check it out and see if it feels like an online gaming home. After all, thousands of happy, gaming Aussies and one cool bird can't be wrong! EmuCasino is one of the most well-rounded Australian casinos I have had the honour of reviewing. The wide variety of games, excellent customer service and player-friendly promotions offer a big boost to the site. The only downfall, if you can call it that, is the lack of "flash and bang" you will find at Emu. However, this isn't enough to keep me from ranking Emu a solid 4 out of 5 and declaring it "nearly perfect." Viridine (\$18) was very good three starts back in the G1 Galaxy (1100m) and was unlucky when eighth in the G2 Arrowfield (1200m) when blocked for a run down the straight. Last start he was posted wide and closed well enough when third to outsider I'll Have a Bit (\$27) – who also lines up in the Goodwood – in the G2 Euclase (1200m) here at Morphettville but he's drawn barrier 20 of 20 and will need a Regan Bayliss special from out there. The chat is superbly helpful and customer friendly. They attend to your every query and address your every complaint almost instantly. It's a luxury, hugely missed in even the popular online casino's going around. Lack of support has been a deterrent to returning customers in other internet casinos. Spare a thought for their email support which is shadowed by their excellent chat system. Even when you have no access to internet, you can reach them on phone. Their typical speedy response happens via all platforms and their support is well rounded. The FAQ and TOS pages are well detailed, devoid of any asterisk. Free slot machines with free spins

Many offshore bookmakers wanted to have it fully legalised but the community groups and some government officials were against it. The news of the possible banning of the in-play betting system was welcomed by the Australian racing industry that had long called for its banning.
