What these games all have in common is the fact that there's a joker added to the deck, which is a big help to the player. The joker can substitute for any card, though the biggest prize available is still for a "natural" royal flush — one that didn't use the joker to complete the hand. Games like Double Wammy aren't really known for engaging themes, and this pokie is no exception. If there is a theme at all, it would be a "classic pokies" theme, as this game brings back

the look and feel that nearly all pokies had a few decades ago. The simplistic design and the handful of traditional symbols will be a refreshing change to those who find busy modern poker machines a little overwhelming. This is also a great strength when it comes to Double Wammy's presentation: since there's so little to worry about in this game, everything from the reels to the payable itself can appear on a single screen, making sure that you'll always have the information you need at your fingertips. This online slot game is full of exciting and surprising bonus features. You can trigger common to many free slot video games free spins feature by matching Snake Spins symbols on the reels 2, 3 and 4. You will be awarded with 5 or 10 spins and with 3 or 5 conga dancers. Each conga dancer dances above the reels and may jump on it. This gives you extra bonus for one spin. If the dancer jumps on 1, 2 or 4 reels, the reel becomes wild. The dancer on the 3 reel makes the whole reel wild and doubles or triples the winnings. If the dancer chooses fifth reel to dance on it, you will get three extra prizes. The game also features a bonus hammer symbol that acts as a scatter. Hit two or more hammers anywhere on the reels during a spin and you'll win a prize equal to a multiple of the total amount bet on that spin. adelaide casino buffet price
