Players can also get in touch with the customer support team via telephone, e-mail and live chat. IGT's Cluedo slot attracts the players with its special features in addition to its easiness for understanding. Everything is very clear. Among all the figures on the reels you can meet Wild and Bonus Symbols. The first one is in the form of Cluedo logo. It substitutes for all the others except the Bonus Symbol. If one or more substitutes in a line win, it means that this win is doubled. Talking about the Bonus Symbol, which is in the form of Mystery logo, you should know that three or more of them award you with fifteen Free Spins. Using these spins you'll see that all wins are tripled except for five Wild Symbols wins. Additional Free Spins (up to maximum 180) can be triggered during the bonus round. Besides, when it's time for the slot with bonus game, you get the scatter wins. The more Bonus Symbols you have, the more times they pay total bets.
