Summary: Pretty even two-year-old race to kick things off. I like Royal Phoenix. His first up run was very good, he hit the front and held on for a dead heat in a blanket finish. Although this race is 100m further, you'd expect a lesser tempo and he could prove hard to run down at nice odds. Lone Eagle was the unlucky runner in that race, and clearly has talent, but his racing style means he'll give them a start. River Jewel was a good winner at Swan Hill and can improve into this, while Prevailing Winds, who was behind River Jewel at Swanny, can also make progress with blinkers on. Secondly, look for the stories of the jackpot winners. Check their success stories and try to analyze which slot machines they were playing, whether they played with high or low bets. Some of them are trying to take their wins anonymously but there are still enough winners who are glad to share their stories in interviews and Youtube videos. Just for your information: the largest jackpot that was ever won in slots amounts to \$39,710,826.36! It was won in March 2003 in the Excalibur casino and no one has managed to beat this record since then. Who knows, maybe you can become the one who can do it?
